Dear Parents / Carers,

We are delighted to once again be able to offer a range of extra-curricular clubs after Easter – week commencing 2nd May.

All our clubs are led by Academy staff over a number of evenings, which vary according to the activity and the age of the year groups involved. Parents/carers should refer to the Club Schedule (see below and on school website) for details of when and where the clubs will operate (including details of any equipment and clothing required) and where the children should be collected from. Parents are responsible for ensuring that their children are collected promptly at the relevant collection point at the end of the club's session

Each club is set with the number of places available and these will be filled via ParentPay on a first-come-first-served basis. To book a place, please log in to your child's ParentPay account. We politely request that you are considerate of others when booking clubs. Please only book your child onto one club in the first instance to give other children a chance to experience them too. If we have not managed to fill all club spaces, we will email parents to say that spaces are still available; at this point you can choose for your child to join two clubs per week.

Day/Time	Club	Available to	Description (Intent)	Staff Member & Location	Collection Point	Extra Information (kit requirements etc)
Monday 3.30 - 4.15pm	Lego Max 20 children	Reception - year 4.
